The games are played with two 22 minute halves and a five minute half-time. There are 9 players on the field. If teams are short players they may borrow from other teams to make 9 but may not borrow additional players for subs or the teams will play an even number of players on the field. All players should participate for at least 50% of each game unless they become ill or injured. Games need to start on schedule so the home team needs to give the visiting team the game card at least 20 minutes prior to the start of the game. Be ready to check in players at least 15 minutes before game time. If games start late playing time will be decreased. The first team listed is the home team and is responsible for bringing the game card. Each team should bring a game ball. All players must wear shin guards which are completely covered by socks (socks may not be worn under the guards and folded down over the top.) Sweatpants are not permitted. In cold weather long sleeve shirts or non-hooded sweatshirts may be worn under the jersey. No jewelry of any kind or hair clips are allowed to be worn in a game. Off-sides and bad throw in will be called as well as penalty kicks given. Sportsmanship rules involving scoring more than 5 goals over the opposing team will be in effect. (See reverse) First teams of the day help set up the fields. Last teams help clean up trash on the fields.
