

HELP US PROTECT OUR WATER & YOSEMITE'S WATERSHED!

Hi, All – it's Tom Bopp with the latest Fish Camp news. I'm involved in an effort to acquire a threatened Sierra meadow here (behind the Post Office), in order to protect it and the pure water of Big Creek flowing through it down to Wawona and Yosemite National Park. We also hope to preserve the purity of our community's water supply – untreated pristine mountain water from our wells in the meadow. The acreage is available now if we raise sufficient funds before it goes off the market. Diane and I have just kicked in \$1,000 – not small potatoes for a part-time art teacher and a musician on a shoestring, but we want you to know that this is very important to us. Please help us protect the lovely Fish Camp Meadow on Big Creek by giving as much as you can today!

To make a Tax Deductible Donation to acquire the Fish Camp Meadow on Big Creek by Yosemite National Park, send your check to:
